Evert Glebbeek,

a Dutch astrophysicist and postdoc at [Radboud Universiteit Nijmegen](#) ^[1] and before at [McMaster University](#) in [Hamilton, Ontario, Canada](#). As avocational computer chess programmer, Evert Glebbeek is author of the [open source engines Jazz](#), [Sjaak](#) and [Leonidas](#), all under the terms of the [GNU General Public Licence](#). Sjaak and Leonidas are able to play various chess variants ^[2], Sjaak not to confused with [Ronald de Man's](#) engine with the same name ^{[3] [4]}.
