Neil Charness ^[2]

Neil H. Charness,
a Canadian born, American
[psychologist](#) and professor at
department of psychology at
[Florida State University](#),
[Tallahassee, Florida](#). He holds a
Ph.D. in 1974 from [Carnegie
Mellon University](#). His research
interests include [Human factors
approaches](#) to understanding [aging
and technology](#) use, development
and maintenance of [expertise](#)
across the life-span, [aging driver](#)
and [pedestrian safety](#) research ^[1],
and [chess](#) and [cognition](#).
