Simplex Servi-Cycle <sup>[3]</sup>

**Simplex**,  
an [UCI](#) compliant [open source chess engine](#) by [Antonio Torrecillas](#), written in [C++](#) and licensed under the [GNU General Public License](#). Simplex was first published with sources in 2010, while its development already started at least in 2007 with the intermediate name DarkSimplex due to experiments with the published description of [DarkThought](#) <sup>[1]</sup> <sup>[2]</sup>.
