Yellowjacket sting ^[5]

Sting,
a Stockfish [derivative](#) by [Marek Kwiatkowski](#) with the aim to solve difficult positions such as [zugzwangs](#), "longer" [sacrifices](#), and to [detect fortress positions](#). It was first released in December 2011 based on Stockfish **2.1.1** ^[1], so far until Sting **8.8** in October 2017 still based on that Stockfish version ^[2] ^[3] ^[4].
